CANCER CLAIMS YOUNG VICTIM

Miss Lillian Heinrich Died at Her
Parents Home Sunday Night
From Cancer

Miss Lillian Heinrich, aged 34 years, died at the home of her parents, Mr. and Mrs. Thomas Heinrich, Sunday night, after several weeks illness of cancer of the stomach. Miss Heinrich was an exceptionally bright and energetic young woman and had been connected with several large institutions of learning in the South. Possessing a disposition of rare sweetness she easily made and retained friends. She always took a deep interest in religious work and gave freely of her means, time and talent to the furtherance of the work of her Lord and Master. That one so young should be called so soon is often hard for us to understand but He that doeth all things well, knows best and the sweet assurance that she is asleep in Jesus should be balm to the hearts of the stricken family.

The funeral was conducted at the residence this afternoon by Rev. E. L. Southgate, with burial in Macedonia. The Advocate tenders sincere sympathy.

PROMOTED TO MANAGERSHIP

Mr. William H. Blevins, who has been connected with the Kentucky Utilities Company for many years has been appointed manager of that concern succeeding Mr. Luther M. Redmond, who has resigned to go into business for himself. Mr. Blevins is an expert mechanic, a pleasant and affable gentleman and will make an excellent man for the position as he has a thorough understanding of every detail of the business. We congratulate Mr. Blevins upon his selection and the company upon the promotion of so worthy an employee.

—W. S. S.—

BUYS NICE COTTAGE

Mr. William S. Carrington has bought of Mr. W. S. Smathers his cottage on Elm street now occupied by Mr. and Mrs. Foster Rogers, and will get possession about May 1st.

—W. S. S.—

Sale of the Bigstaff brick residence will take place on April 3rd.

CLOCKS TURNED UP ONE HOUR

The Daylight Saving Bill went into effect Sunday and all clocks in the United States were advanced one hour. There was some confusion in this city owing to all of the churches with the exception of the Baptist, going by the old time. Business houses will open one hour earlier and close an hour earlier, thereby giving employees and proprietors an hour more of daylight each day to enjoy as they see fit. In other words, business houses will now close at five o'clock by the old time instead of six. People are rapidly becoming accustomed to the change and no more inconveniences are expected.

—W. S. S.—

SAFELY IN FRANCE

Word has been received from Mr. M. Stanley Brown that he has arrived safely "Somewhere in France." Mrs. J. C. Shoemaker has also received a card from her son, E. C. Shoemaker, saying that he has arrived in France. Last week word was received that Tom Coyle had safely arrived on French soil. These additional arrivals make quite a little colony of Montgomery boys now in France and news from each and every one of them will be anxiously awaited by their many friends and relatives back home.

—W. S. S.—

PROF. YOUNG NOT TO LEAVE HERE UNTIL DRAFTED

The statement which appears in other columns of this paper to the effect that Prof. Duke Young, instructor of English at the local High School had gone to New York where he would be stationed in the gas defense laboratories, is incorrect. Prof. Young had enlisted in this service but was informed Sunday that no men of draft age would at this time be accepted for government service and that he would have to wait his turn in the draft.

—W. S. S.—

VANSANT PROMOTED

Mr. James VanSant, who is stationed in Nebraska, has been promoted from second to first lieutenant. Young VanSant is a son of Dr. and Mrs. J. A. VanSant, of this city, and is a deserving young man and has many friends in this city who will be glad to learn of his promotion.

INTERESTING LETTER FROM "LITTLE DOCK" ELKINS

Below we reproduce an interesting letter from Wm. M., familiarly known to a host of friends as "Little Dock" Elkins. Mr. Elkins is a member of the American Expeditionary Force and was among the first United States troops landed on French soil. The letter follows:

"Somewhere in France"

March 7, 1918.

Dear Sister and all of you:

This letter leaves me well and all right again. I was in the hospital for two weeks but am now with the battery again. We have been at the front and had lots of experiences, and have seen lots of sights. I have been in three battles with the Huns and defeated them.

The Huns don't like the American soldiers, they say we are crazy.

I don't know how long we are to stay here but it is as good a place as we can be. It is either raining or snowing here most of the time. I have not heard from any of you for a long time.

How is Dad? Why don't he write, would like to hear from him.

There is lots I could tell you but the censor will not let me. So will say good-bye with love to all.

Your brother,

WM. M. ELKIN,

6th Field Artillery Battery A, A. E. F., via New York.

CALLED TO THE COLORS

Mr. Howe Thompson, son of Mr. and Mrs. J. W. Thompson, of this city, who has been making his home at Carnegie, Pa., since his marriage several months ago to Miss Nettie Richardson, daughter of Mr. and Mrs. John F. Richardson, received orders last week to report at once for duty in the engineering corps. Mr. Thompson left Sunday for Camp Upton, located at Long Island, N. Y., and expects to be sent to France in the near future. Mr. Thompson has previously served several years in the navy and was present and participated in the battle of Vera Cruz.

COLORED TROOPS LEAVE

The 32 colored boys drafted from this county, left here for Camp Zachary Taylor Saturday afternoon about 5 o'clock. All day Saturday the streets were crowded with colored folks and the demonstration given the departing ones equaled if not surpassed that given the white boys. All of the colored boys were in the best of spirits and seemed eager to get in "the big fray." They were in charge of Cato Fisher, the popular colored barber, and when the train pulled out amid the strains of popular airs the colored population of this city was made to realize for the first time the sting of the present war.

SELLS FINE TROTTER

Mr. Nat Young, Jr., last week sold the fine trotting filly Aris to an eastern capitalist for \$2,250. This filly is by the great stallion J. Malcolm Forbes and is considered one of the handsomest as well as one of the best racing prospects in Kentucky.

—W. S. S.—

SELLS FINE JACK

Mr. A. P. Wyatt has sold his fine mule jack King Edward to Mr. Alvin Myers, of Spencer Station, who will make the season there with him. This is considered one of the best mule jacks that ever stood in Montgomery county.

MARRIED MEN WITH CHILDREN PLACED IN CLASS FOUR

The district board at Lexington last week passed on a number of cases which had been appealed from this county and according to their ruling it appears that all married men with children, regardless of their financial condition, should be placed in Class 4, while married men without children will have to go in Class 2. The following men had their appeals allowed and were placed in Class 4: Garnett Chennault, Harry M. Hadden, William Eubank, Jr., Stanley Thomas, Urey Woodson Henry, R. L. Barnard, William M. McCormick, Beall Hadden, H. B. Turner, Fisher Mark, Vivian Faulkner, J. C. Gaitskill, George McAllister, Charles Reis, Ellis H. Saylor, T. Badger Robertson, John D. Henry, W. C. Tabor, Norman D. Horton, Roy Byrd, K. N. Dellaven, Fred Rushford, Judson Anderson, Albert Atkinson, Reid Leford, Richard R. Thompson, Arthur B. Hilton, S. D. Hall was placed in Class 4 on his agricultural claim and W. Clell Cockrell in Class 3.

The following are those originally placed in Class 2 and whose appeals were disallowed, they being held in their original classification: Jesse A. Flora, Wick Childers, Robert Hynson, Webb Blevins, Walter Cunningham, Wm. A. French, Courtney Horton.

—W. S. S.—

JOINS MEDICAL CORPS

Mr. A. Tabb Bassett has resigned a splendid position with a large New York house as travelling representative and joined the medical corps of the United States Army and will be stationed at Fort Oglethorpe, Ga., for the present. Mr. Bassett has been here visiting his parents for the past few days and will leave for camp shortly. Mr. Bassett is a registered pharmacist, thoroughly understands the drug business and is competent and reliable. He has many friends here who will be interested to learn of his new venture and will be proud of the patriotic motives which prompted him to volunteer his services to his country.

WITH THE MOVERS

Mr. and Mrs. J. Y. Rogers will move this week from their rooms with Mr. and Mrs. G. B. Sentt to the flat of Miss Mayme Miller on Maysville street and will do light house-keeping.

Mr. and Mrs. Daniel Boone have rented the Bittering cottage on Sycamore street and have moved to same.

Mr. C. B. Stephens has moved to the residence he recently purchased from Mrs. Charles Humphries on Harrison avenue.

—W. S. S.—

PUBLIC SPEAKING

Hon. William Rogers Clay, of Frankfort, and Hon. John G. Wynn, of this city, will speak at the Court House Saturday afternoon at 2:30 o'clock in the interest of the Third Liberty Loan. Both gentlemen are good speakers and we trust that the people will show the interest they should by turning out in large numbers to hear them. Tell your neighbors and friends.

SUPERVISORS IN SESSION

Under the law recently enacted by the legislature, County Judge E. W. Sentt has increased the membership of the County Board of Supervisors, which is now in session, to six, so that it is constituted of the following well known taxpayers: A. L. Tipton, Charles E. Duff, Ben W. Hall, John F. Richardson, Thomas N. Coons and Robert Howell.

These gentlemen will first assess all omitted property and then by equalization increase the assessment of the county one million dollars in accordance with the instructions of the State Tax Commission. Notwithstanding the above increase, it is thought the people will pay little more, if any, more in taxes this year due to the fact that the Fiscal Court has announced its intention of reducing the county levy 16 and two-thirds per cent, or one-sixth.

—W. S. S.—

Don't forget the sale of Bigstaff residence property on April 3rd.

—W. S. S.—

EASTER ENTERTAINMENT

The Easter entertainment given at the Christian church Sunday evening was a most creditable performance and Mrs. George R. Snyder, who trained the children, deserves a great deal of credit for the successful program rendered. The entertainment was composed of songs and recitations and the manner in which the children acquitted themselves was highly appreciated by the large audience. The patriotic numbers especially were heartily applauded and each and every child did its part well. A collection was taken for the children's missionary society which amounted to \$58.

DR. THOMPSON'S FATHER DIES

Mr. Malcolm Thompson Dies After
Prolonged Illness at Home of
His Son

Friends here will learn with regret of the death Monday morning, at Lexington of Mr. Malcolm Thompson. While never a resident of this city Mr. Thompson was known and admired by many of our people as during the past 20 years he made frequent visits to the family of his son, Dr. W. R. Thompson. A courtly old gentleman of the old school, kind and considerate of the rights and privileges of others he was highly respected and regarded by all who knew him. Mr. Thompson was born in Lexington September 21, 1842, and was therefore in his seventy-fifth year. For a number of years he resided on a farm near Paynes depot in Fayette county but moved to Lexington about ten years ago. He was a deacon in the Baptist church to which church he had belonged since early childhood. Mr. Thompson served one term as magistrate in Lexington under appointment of the governor a few years ago.

He is survived by his widow, Mrs. Bettie Royster Thompson; three sons, Dr. William R. Thompson, of this city; Charles R. Thompson, president of the Gentry & Thompson Co., and Clifton E. Thompson, president of the Lexington Dry Goods Company; also eight grandchildren, Malcolm D., Cynthia A., and William, of this city; Margaret Porter, Mary, Clifton L., Jr., Elizabeth and Celeste, of Lexington, and a sister, Mrs. G. Slaughter Gaines, of Muskogee, Okla.

Funeral services were conducted this afternoon at the residence of his son, C. L. Thompson, by Rev. J. W. Porter with burial in the family lot in the Lexington Cemetery.

We join friends in tendering sympathy to the bereaved family.

MONTGOMERY CIRCUIT COURT

Lee Carter, et al. vs. Notice of Sale in Equity W. T. Fitzpatrick, et al. Def'ts.

By virtue of a judgment and order of sale of the Montgomery Circuit Court, rendered at the January Term, 1918, thereof, in the above cause, the undersigned will, on the

15th Day of April, 1918,

at one o'clock, P. M., or thereabout, (being Court Day), proceed to offer for sale, at Public Auction, to the highest bidder, of a credit of six months, at the Court House door, in Mt. Sterling, Ky., the property mentioned in the judgment, to-wit:

A tract of land in Montgomery County, Ky., on the waters of Slate creek and bounded by beginning at a stake, the northeast corner of the tract of land at figure 1; thence S. 16 1/2° W. 110.94 poles to a stake at figure 2 in W. T. Fitzpatrick's line and corner to Thos. Perry; thence with Perry's line S. 85 1/2° E. 72.84 poles to a point in the center of a water gap, corner to Marion Carter; thence N. 33 1/2° E. 134 poles to a post in the fence in W. T. Fitzpatrick's line; thence N. 89 1/2° W. 10.04 poles to a stake; thence S. 13 deg. 52 minutes W. 39.6 poles to a stake; thence N. 66 1/2° W. 31.72 poles to the beginning, containing in all 41 acres, 3 rods and 17 poles. From the above described tract of land, however, there is to be deducted 4 acres of land set apart to Fannie Dragoon and Clayton Dragoon, lying inside of the above described tract of land and which is bounded as follows:

The point of beginning in said 4 acres is ascertained by beginning at the northwest corner of the entire tract of land at figure 1 on plat; thence S. 16 1/2° W. 51.18 poles to a stake; thence S. 79° E. 5.21 poles to the beginning corner of the 4 acres, a stake; thence running from said stake S. 79° E. 43.2 poles to a stake; thence N. 17 1/2° E. 15.08 poles to a stake; thence N. 79 deg. 8 minutes W. 42.2 poles to a stake; thence S. 16 1/2° W. 15.28 poles to a stake, the beginning corner, leaving to be sold 37 acres, 3 rods and 17 poles of land.

The purchaser will be required to give bond, with approved security, for the payment of the purchase money, to have the force and effect of a Replevin Bond, bearing legal interest from the day of sale, according to law.

Bidders will be prepared to comply with these terms. A lien will be retained on the land sold till all the purchase money is paid.

Bond payable to undersigned. W. E. JONES, Master Commissioner M. C. C. 39-31

YOU MUST COME ACROSS

The Third Liberty Loan—the first loan of 1918 will be the real test whether America really means to see this war through to a victorious ending or whether we are merely a nation of "talkers," as Germans have repeatedly charged.

The first two Liberty Loan drives found us actively preparing for war and talking about what we were going to do. The launching of the third loan finds 400,000 Americans in the trenches in Europe and nearly 2,000,000 men under arms in country. This would seem to indicate that we understand the task before us and have settled down to the grim business of war.

But wait a minute. These men, and 3,000,000 more, who have declared their willingness to give their lives for the principles of liberty and democracy, must be fed, clothed and equipped. All agree that this must be done.

But how many will really help do it?

The way we answer that question will be the acid test as to whether we are real or merely "talking" patriots.

After taking all the bonds you can afford as an individual here's another thing you can do: If you belong to a fraternity, lodge, or organization of any kind that has money in its treasury, start a move to have the funds invested in Liberty Bonds. There is no safer investment and these bonds will help feed and clothe the boys in the front and supply them with ammunition.

One thing is certain. We must come across or the Kaiser will. A bond will help stop him. And the best place to stop Europe's madman is in Europe.

Come across and the Kaiser can't.

IN GAS DEFENSE LABORATORY

Prof. Duke Young, instructor of English at the Mt. Sterling High School, left Friday for Long Island City, N. Y., where he will be stationed in the gas defense laboratory of the Medical Corps. Prof. Young recently applied for enlistment in the photographic section of the Signal Corps, but that branch was full and he was assigned to the gas defense section of the Medical Corps. Prof. Young is a native of Carlisle and is registered in the draft. He was placed in Class 1 and secured permission from the Nicholas draft board to join the above branch of the service. He has been making his home here since last September when he assumed his duties at the local school and has made many warm friends in Mt. Sterling whose best wishes go with him. Prof. Young's successor at the High School has not yet been secured.

LOCAL BOYS DOING WELL

Letters to relatives here from Russell Cox and Rick P. Thomas, both of whom are stationed at Camp Stanley, Texas, in the third officers training camp, convey the news that both are doing splendidly but are working hard. One of the letters state that several young men who started in the camp several weeks ago couldn't stand the training and were returned to their regiments at Hattiesburg. The two local boys, however, are sticking and are hopeful of receiving commissions when the camp closes on April 4th. Two other local boys, Robert Stoner and Carroll Jones, who were in the first draft contingent from here, are also in an officers training camp at Camp Zachary Taylor and apparently are making good.

ED. FLANAGAN DEAD

The body of Edward Flanagan, formerly of this city, who died in Chicago Sunday after a long illness, arrived here Wednesday and was interred in St. Thomas' cemetery after brief services at the grave by Rev. Father Rohrer. Mr. Flanagan was about thirty-six years of age and was a native of Nicholas county. He was a nephew of Mr. John Flanagan, of Paris, who for several years managed the Bauman Hotel in this city and was associated for a while in the management of the hotel. For some years deceased had been making his home with relatives in Chicago. Mr. Flanagan has many old friends here who will learn with deep sorrow of his death.

Commissioner's Sale

MONTGOMERY CIRCUIT COURT

Smith Hurt, et al. vs. Notice of Sale in Equity

Robert B. Hall, et al. Def'ts.

By virtue of a judgment and order of sale of the Montgomery Circuit Court, rendered at the January Term, 1918, thereof, in the above cause, the undersigned will, on the

15th Day of April, 1918,

at one o'clock, P. M., or thereabout, (being Court Day), proceed to offer for sale, at Public Auction, to the highest bidder, on a credit of six and twelve months, at the Court House door, in Mt. Sterling, Ky., the property mentioned in the judgment, to-wit:

A certain tract of land situated on the waters of Somerset Creek in Montgomery County, Ky., bounded, beginning at a stake in Burchett's line, thence N. 81 1/2° W. 27 poles to a post, corner with Asa Pieratt; thence with Pieratt's line S. 10 1/4° W. 110 poles to a post, corner with Mrs. Bettie Hunt; thence with Mrs. Hunt's line N. 89° E. 28.2 poles to a stake, corner with same; thence N. 93 1/2° E. 105 poles to the beginning, and containing 18 1/2 acres of land.

There is a right of passway for the benefit of this land out over Mrs. Bettie Hunt's land to the public road.

Being part of a tract of land conveyed to the late Mrs. Lizzie Hunt by deed of record in Deed Book 33 at page 331 in the Montgomery County Court Clerk's office.

The purchaser will be required to give bond, with approved security, for the payment of the purchase money, to have the force and effect of a replevin bond, bearing legal interest from the day of sale, according to law.

Bidders will be prepared to comply with these terms. A lien will be retained on the land sold till all the purchase money is paid.

Bond payable to undersigned.

A SECOND WARNING

Last week we warned our farmers against planting 1917 corn, without thoroughly testing it and are more thoroughly convinced of the wisdom and necessity for this course now than ever, as practically all 1917 corn, when tested, has proven to be valueless, for seeding purposes. Farmers in Fayette and other counties are holding public mass meetings to secure good seed corn, at a reasonable price, through co-operation. The same result can be had by ordering it through our local banks. To plant inferior corn, is a serious blunder, as the second planting is rarely ever a success and these are no times for careless farming. We should practice "safety first" in everything, both as a matter of good sense and in discharge of our duty as loyal citizens.

When Hindenburg said he would eat dinner in Paris on April 1st, he doubtless meant the statement as an April fool's joke. Here's hoping our beloved Pershing may turn the joke back on him by celebrating an Allied victory in Berlin on the fourth of July.

While Governor Stanley said he feared the Thomas vagrancy bill was unconstitutional, the controlling thought which caused its veto was doubtless his fear of its effect on the state house square.

AMERICAN TROOPS ARE BEING MOVED TO THE FRONT

Definite announcement that American troops will actually fight side by side with the French and British in northern France reached the American troops last night in Paris newspapers. It was greeted with cheering. The men who will go are envied by the rest of the American forces.

As they passed by on the roads they were speeded on their way with cries such as: "Eat 'em up!" and "Gee, you fellows are in luck."

Orders to proceed toward the plains of Picardy were received from the French high command three days ago, but until it was official no mention could be made of it.

The muddy roads again were jammed with Americans on the move. In some cases they were marching in double lines, taking up the road from side to side. For obvious reasons, it is inadvisable to disclose where the troops are going, where they are coming from or even the direction in which the movements are being made. It may not be many days, however, before the United States will know. It is possible that news will come with the report of the American forces in action, but when that may be is another subject which cannot be discussed.

Whenever it is, it is certain the troops will give a good account of themselves, for they are husky, hearty, trained and completely equipped and on their toes for a clash with the enemy. If this clash should be in the open, the troops will like it better for they say: "That's our game." All are determined to get into the fight if possible.

Quiet on Battle Front

Little fighting of importance has been reported north of the Somme, while below that river in the vital section of Moreuil the situation appeared much the same as yesterday. The probabilities are that the enemy was not quite ready for another big attack north of the Somme, although the fact that he still has the majority of his available divisions there presages further activity and it may come at any time.

There are at present something like 40 divisions in the battle zone north of the river, and about 37 engaged in the struggle further south. Ten of these have been used against the British and the rest against the French Allies.

The German guns are not all brought forward as yet. The Somme battleground presents a very difficult terrain over which to move artillery and the indications are that the next attack on the north will be a set affair with all the stage effects which require as many guns as possible can be rushed up. Thus far the enemy gunfire has been comparatively light along the zone of advance.

Allies Holding Their Own

During the past week the great battle on the western front has raged violently with the Germans still on the offensive. The Allies have been greatly reinforced and have succeeded in stopping the advance of the Huns. The long range German gun or guns continue to pour shells on Paris and a number of casualties have been reported. The outlook for the Allies is decidedly brighter than it was a week ago and it is thought the next few days will bring forth some brilliant Allied victories.

GEN. ROGER WILLIAMS IS DECLARED UNFIT

Brigadier General Roger Williams, who was subjected to a physical examination last week, was found by the examination board to be physically unfit for further military service, the War Department announced yesterday. The board recommended his retirement from active service. General Williams commands the 75th brigade, 38th division at Camp Shelby, Hattiesburg, Miss. By reason of service for 35 years in the guard, with federal service combined, he won the rank and commission of senior brigadier general in the army last year on duty on the Mexican border. It was while with Pershing at Colonia Dublan, Mexico, that he developed the trouble causing his retirement. General Williams is now in Washington, but is preparing to leave for Lexington in a few days.

At the close of the first year since the call for enlistment for army, figures obtained at the War Department show that 6,061 Kentuckians answered the call to the colors by volunteering. Thus volunteers from the Blue Grass State exceeded the draft quota by 1,483.

PRESBYTERIANS SHOULD READ THIS

Every Presbyterian, and every attendant at the Presbyterian church, man, woman, or child, is urged to be present at the church tomorrow evening (Wednesday) at 7:30 o'clock, to hear reports of the year's work, and to enjoy a social hour and some delightful refreshments. If you have been saying that churches ought to be more sociable, here is your chance. If the weather is good, we ought to have a large attendance. We particularly hope the country members will come. Get out your car and drive into town that night, enjoy a fine social hour, partake of refreshments, hear the latest war news, and get home by early bed time. We are going to look for you. Can't you give your church this one hour?

Elegant Two Story
MODERN FRAME RESIDENCE
AND BUILDING LOT
AT
PUBLIC OUTCRY
SATURDAY, APRIL 6, 1918
AT 2:30 O'CLOCK

As agent for Mr. Frank Gibbons, of Middletown, Ohio, I will offer for sale on the above date and at the hour mentioned his Handsome Two Story Frame Residence and lot and Excellent building lot adjoining, located on Locust Street in Mt. Sterling, Ky. The residence contains large reception hall, parlor, dining room, kitchen and bath room on the first floor, and has nice front and rear porch, with large pantry, and nice closet in dining room. On the second floor are three nice bed rooms. The rooms are of large size, good and airy, well ventilated and the house is built out of the very best material and is on a limestone foundation with excellent cellar underneath. There is a good cistern, a good garden spot, cabin, small stable and lot, some fruit, and the lot fronts 52 feet on Locust street and runs a depth of about 160 feet to an alley. At the same time I will offer a nice building lot 49.6 on Locust street and about 160 feet deep. The residence is one of the nicest in the city and could not be duplicated today for under \$5,000.00, outside of the lot. It is located close to churches and schools and the business center, and has a tin roof, and is in good condition.

There is no better home in the city and if you want a good piece of property in which to live or one that will pay good interest on the investment this is your opportunity. Possession will be given within thirty days from date of deed, and the terms will be one-half cash and one-half due and payable in 12 months, the deferred payments bearing 6 per cent interest and secured by lien on the property sold.

The property will first be offered in two tracts and then as a whole. This is your best chance. Get busy now and buy a good home under the hammer and go "over the top."

See me for further particulars.

Remember day and date and hour—SATURDAY, APRIL 6, 1918, at the hour of 2:30 o'clock on the premises, 138 West Locust Street, Mt. Sterling, Ky.

TOM TUCKER

Will make the season of 1918 at my old home five miles east of Mt. Sterling, one mile northeast of Camargo, at the old James McCormick home, on dirt road leading from Camargo to Spencer.

\$10 to Insure Living Colt

Money due when colt comes, mare parted or bred elsewhere.

Tom Tucker is a very handsome Percheron Draft Horse, 16 hands high, will weigh 1500 pounds. He is a dun grey. He is a perfect specimen of draft horse in every particular with great bone and substance and must be seen to be appreciated.

He was sired by a noted imported Percheron stallion out of a Percheron mare of pure blood. Tom Tucker is a sure foal getter and his colts speak for themselves. If you are looking for the best draft stock see this horse or some of his colts. He is noted for his kindness of nature and is well broke.

KING EDWARD

At the same time and place King Edward, black jack, 15½ hands, will make the season at

\$8.00 to Insure Living Colt

King Edward comes to me with a reputation second to no jack as a sure foal getter and breeder of extra good mules. King Edward was sired by Old Renben, by Reuben Elkin, by Tom Elkin.

A lien retained on all colts for season's fee. Money due when colt comes or mare parted with or bred elsewhere. Grass 10 cents per day. Will use all precaution and care but I will not be responsible for accidents or escapes should any occur.

A Few More
Reasons Why You
Should Attend The
Fugazzi School of
Business---

BECAUSE—Our courses of study are so arranged as to give the best results in the least time and at the smallest expense. Any person who has attended the FUGAZZI SCHOOL knows that every effort is made to save both time and the money of the student. Although the school is without classes its departments are systematically organized, enabling us to give each student such personal care and instruction as each individual student may require, an advantage not to be had in many schools.

BECAUSE—Our students invariably endorse the school unreservedly. No person ever entered the FUGAZZI SCHOOL with an earnest desire to improve time, who was not highly pleased. Such students always say it is the best school they ever attended, that no other school did as much for them in the same time for the money expended.

BECAUSE—We succeed in obtaining positions for the competent. This fact should have a deciding influence with young people who must rely on others in seeking employment. If you are unemployed and willing and able to take the course of training which assures a remunerative situation, let us hear from you at once. We have a great many more calls for competent young people than we can supply.

NEARLY 100 new students enrolled since the 1st of January, a truly remarkable record when you consider that this school started only a little over a year ago. A thorough investigation will reveal the REASON—

MODERN TWO STORY RESIDENCE

Holt Avenue, Mt. Sterling, Kentucky

Saturday, April 6, 1918

2 O'CLOCK P. M.

As agent for W. H. Berry, of Louisville, I will sell at public auction on the premises, on Holt Avenue, on the above date and at the hour mentioned, his

Modern Two Story Frame Dwelling

and large grounds. The lot fronts about 60 feet on the Avenue, and runs back to a depth of about 250 feet. There is a good garden spot, some fruit and poultry yard with a large front and rear yard. The house is one of the most modern in the city. On the first floor it contains a large reception hall, library, sitting room, family bed room, bath room, kitchen and dining room. Between the hall and dining room are sliding doors, and the dining room has an octagon end with three windows which makes it one of the prettiest in the city. On the second floor are two nice bedrooms. The house was built of the very best material and the finish is of as good material as can be found anywhere. The roof is good, being built out of the best shingles and the foundation was constructed out of limestone rock, making it one of the firmest and best that can be built. There is an excellent front porch with two outside doors, and a good rear porch, also a good cistern. This house was built by Mr. Berry as a home with no contemplation that it would ever be for sale, but as he has moved from this city to reside the house will be placed on the market. Possession will be given April 15, and the terms of sale will be 1-3 cash, 1-3 due and payable in one year and 1-3 due and payable in two years, with deferred payments bearing 6 per cent interest and secured by property lien, or purchaser can pay as much more cash or all cash. Judge B. R. Turner, who resides in the property, will be glad to show it to prospective purchasers, or for any further information call on the undersigned.

FOOD LAWS ARE CHANGED SOME

New Food Conservation Laws are Now in Effect and Public is Urged to Co-operate

"If we are to furnish the Allies with the necessary proportion of wheat to maintain their war bread from now until the next harvest, and this is a military necessity, we must reduce our monthly consumption to twenty-one million bushels a month as against our normal consumption of about forty-two million bushels or 50 per cent of our normal consumption. Reserving a margin for distribution to the army and for special cases, leaves for general consumption approximately one and one-half pounds of wheat products weekly per person. Many of our consumers are dependent upon bakers' bread. Such bread must be durable, and, therefore, requires a larger proportion of wheat products than cereal breads baked in the household. Our army and navy require a full allowance. The well-to-do in our population can make greater sacrifices in the consumption of wheat products than can the poor. In addition, our population in the agricultural districts where the other cereals are abundant, are more skilled in the preparation of breads from these cereals than the crowded city and industrial population. With improved transportation conditions we now have available a surplus of potatoes. We also have in the spring months a surplus of milk and we have ample corn and oats for human consumption. The drain on rye and barley as substitutes has already greatly exhausted the supply of these grains. To effect the needed saving of wheat we are wholly dependent upon the voluntary assistance of the American people and we ask that the following rules shall be observed.

"1. Householders to use not to exceed a total of one and one-half pounds per week of wheat products per person. This means not more than one and three-fourths pounds of victory bread containing the required percentage of substitutes and about one-half pound of cooking flour, macaroni, crackers, pastry, pies, cakes wheat breakfast cereals, all combined.

"2. Public eating places and clubs to observe two wheatless days per week, Monday and Wednesday, as at present. In addition thereto, not to serve in the aggregate a total of more breadstuffs, macaroni, cracker, pastry, pies, cakes, wheat breakfast cereals, containing a total of more than two ounces of wheat flour to any one guest at any one meal. No wheat products to be served unless specially ordered. Public eating establishments not to buy more than six pounds of wheat products per month per guest, thus conforming with limitations requested of the householders.

"3. Retailers not more than one-eighth of a barrel of flour (24 pounds) to any town customer at any one time, and not more than one-quarter of a barrel (48 pounds) to any country customer at any one time, and in no case to sell wheat

OVERWORKED, TIRED WOMAN TOOK VINOL

Now She is Strong and Hearty

Philadelphia, Pa.—"I was overworked, run down, nervous, could not eat or sleep. I felt like crying all the time. I tried different remedies without benefit. The doctor said it was a wonder I was alive, and when Vinol was given me I began to improve. I have taken eight bottles and am now strong and perfectly healthy in every respect, and have gained in weight. I can not praise Vinol enough."—Mrs. Sarah A. Jones, 1025 Nevada St., Philadelphia, Pa.

We guarantee Vinol to make overworked, weak women strong or return your money. Formula on every bottle. This is your protection.

products without the sale of an equal weight of other cereals.

"4. We ask the bakers and grocers to reduce the volume of victory bread sold by delivery to the three-quarters pound loaf where one pound was sold before, and corresponding proportions in other weights. We also ask bakers not to increase the amount of their wheat flour purchases beyond 70 per cent of the average monthly amount purchased in the four months prior to March 1st.

"5. Manufacturers using wheat products for non-food purposes should cease such use entirely.

"6. There is no limit upon the use of other cereals, flours and meals, corn, barley, buckwheat, potato flour, etc.

"Many thousand families throughout the land are now using no wheat products whatever, except a very small amount for cooking purposes, and are doing so in perfect health and satisfaction. There is no reason why all of the American people who are able to cook in their own households cannot subsist perfectly well with the use of less wheat products than one and one-half pounds a week, and we especially ask the well-to-do households in the country to follow this additional program in order that we may provide the necessary marginal supplies for those parts of the community less able to adapt themselves to so large a proportion of substitutes. In order that we shall be able to make the wheat exports that are absolutely demanded of us to maintain the civil population and soldiers of the Allies and our own army, we propose to supplement the voluntary co-operation of the public by a further limitation of distribution and we shall place at once restrictions on distribution which will be adjusted from time to time to secure as nearly equitable distribution as possible. With the arrival of harvest we should be able to relax such restrictions. Until then, we ask for

the necessary patience, sacrifices and co-operation of the distributing trades."

Federal Food Adm. for Kentucky.

WORTH \$1,000 A BOTTLE IS VALUE CHATTANOOGA MAN PLACES ON VIN HEPATICA

"I wouldn't take \$1,000 for what one bottle of Vin Hepatica has done for me," says Mr. L. A. Cantrell, aged 75, chair worker of Miller avenue, Chattanooga, Tenn.

"It is worth \$1,000 a bottle. I have been troubled with kidneys for years, catarrh of the head and stomach. After eating a few bites my stomach would swell up like a pumpkin. I had the cramps, was fluky, had to be up almost every hour of the night on account of the condition of my bowels."

"But Vin Hepatica has changed all that. I don't have to get up at all in the night. I now eat potatoes, beans, onions—anything. I had about decided I could not nor would I live another week, but after I saw in the papers what Vin Hepatica had done for others in the same fix, I thought I would try it and now feel better than I have felt in forty years. Have put in 2 1/2 days solid work this week and am going to start in for full time Monday."

"I have passed my 75th year and I could not have held up much longer the way I was troubled. But Vin Hepatica was certainly a life-saver to me and I heartily recommend it to my friends."

The fact is, Vin Hepatica is a Nature medicine and not a patent nostrum. It is a combination of eight of the finest herbal remedies known to medical science, remedies which are prescribed nearly every day by the leading physicians of the world, and they are all combined into one great Nature medicine for the kidneys, liver, stomach and bowels, and for toning up the system. Nothing is finer for anyone who is troubled with the stomach or weak and run down condition.

We strongly recommend this great Nature remedy. Come and get a bottle and try it, on our recommendation. You will like it and it will do you good.

THE GREAT WAR HAS MADE CIGARETTES A NECESSITY.

"Our boys must have their smokes. Send them cigarettes!" This is a familiar appeal now to all of us.

Among those most in demand is the now famous "toasted" cigarette—LUCKY STRIKE. Thousands of this favorite brand have been shipped to France. There is something home-like and friendly to the boys in the sight of the familiar green packages with the red circle.

This homelike, appetizing quality of the LUCKY STRIKE cigarette is largely due to the fact that the Burley tobacco used in making it has been toasted. "It's toasted" was the slogan that made a great success of LUCKY STRIKE in less than a year. Now the American Tobacco Co. is making 15 million LUCKY STRIKE Cigarettes a day.

A good part of this immense production is making its way across the water to cheer our boys.

TEACHER GETS

GOVERNMENT JOB

Miss Naney Pileher, who has been a member of the faculty of the Mt. Sterling High School for the past year, left Tuesday morning for Washington to take up her duties as clerk in the Treasury Department. Miss Pileher recently took the civil service examination at Lexington and received a very creditable mark. Notice of her appointment was received last week and she immediately resigned from the school faculty. Miss Pileher's home is in Lexington and she came to Mt. Sterling last September as a teacher in the High School. She is a very versatile and accomplished young lady and during her short residence here has made many friends who will learn with interest of her going to the Capital City. Miss Pileher's successor has not yet been selected at the High School.

THE BOOSTER

What would your town amount to without the booster? Ever stop to ask yourself whether you are boosting or just hanging on?

The booster is the fellow who takes hold of a forlorn hope and, by his cheerful optimism and bulldog perseverance keeps hammering away until he accomplishes his object.

Little difficulties to not trouble the booster. He fattens on them. He is so red-blooded that he scorns an easy walk-over in any undertaking. He usually hunts for game worth while, and in all such hunts the difficulties are numerous and great. But he goes at them with a will to win, and WILL is the only quality under God's heaven that will win.

The booster doesn't see the faults and failings of your town, or if he does see them, he passes by with a smile and a cheerful prophecy that they will soon be remedied. He sees only the bright side, and he so constantly plays up that bright side that after awhile you just naturally come to the conclusion that it far outweighs the dark, which is very sensible of you, though you should have been helping him all along to bury the dark and hold up the light.

But don't get it under your hat that boosting is boosting. The two are as widely different as daylight and dark. The booster is satisfied, the booster is ever reaching out for more. The booster proudly calls attention to what we HAVE, but the booster calls attention to what we CAN have if we display sufficient energy. The booster lives in the glory of the present, but the booster is ever looking to the future and planning new and greater achievements.

Be a booster. Get under the load and help "tote."

MATERNITY HOSPITAL BOMBED BY GERMANS

Fifty maternity cases in a Naney hospital were removed from the hospital by the American Red Cross in quick time after a recent air raid on Naney. One bomb dropped on the roof of the maternity hospital and fell between two occupied beds. It failed to explode. The French hospital authorities then made requests to the American Red Cross hospital at Toul, 15 miles away, to remove all the patients. Dr. Maynard Lad, in charge of the American hospital provided facilities and received all the patients within 24 hours.

Dr. Robert C. Sharp remained on duty for 24 hours, and all the nurses worked overtime to meet the emergency. Many of the maternity

patients were in a critical state when they reached the hospital, due to the excitement through which they had passed.

Kentucky must grow corn. Then plant
the corn that is best adapted to your soil
and recommended by your best farmers.

Neal's Paymaster SEED CORN

Germination Guaranteed
90 per cent or better

White grain, small red cob; medium stalk; matures in 100 to 110 days. The Standard two-ear corn. It is certain to make a very large yield.

One farmer admits he lost \$1,000 because he did not plant Neal's Paymaster in 1917.

After a full investigation, he said: "I am confident I would have made 500 bushels more corn on a small field of about forty acres and I will certainly plant Neal's Paymaster this year."

You have no time to waste. You must grow the corn in 1918. You must plant seed corn you know will germinate. I have been told that in sev-

eral of the counties of Kentucky that the average of seed corn is only 25 per cent. You can't afford to plant such seed and take such chances. Our Neal's Paymaster is guaranteed 90 per cent or better. I have sold and delivered to the middle Tennessee Experiment Station 30 bushels of this Neal's Paymaster Seed Corn for 1918.

Sacks free. Cash with order.

I have only about **\$6.00**
1,000 bushels for
Kentucky Farm-
ers. Price per
bushel
